Chateau du Fauré, Gensac 33890, France (near St. Emilion)

Domaine du Fauré is a unique recently restored wine estate, set in 20 acres of beautiful and totally peaceful French countryside just 25 kms from St. Emilion. Built in the 18th century, the restoration – specifically as the home of the Orpheus and Bacchus Music and Wine Festival - has provided a unique flexibility of accommodation and retained all the original features. Website: www.orpheusandbacchus.com which has a fascinating video of the owner introducing the chateau and distinguished musicians talking about it.
